New! Lowered Membership Dues for 2012

In an effort to make the network more affordable and grow the membership, we have decided to lower the dues for 2012 to \$25 for individual members! In addition to the individual membership, we also now have another level of membership which allows you to add up to two additional family members, office colleagues, etc. to your account. Please see the details below.

\$25 - Individual Membership - includes a single member name. You get the same great IRN benefits, such as attendance at members-only meetings, mailed newsletter and special events.

\$40 - Family/Sponsor/Partner Membership - this allows you and up to two additional people from your office or your household to attend members-only meetings and special events. It also provides the network with a bit of additional revenue to help plan special events such as factory tours, paid speakers, etc.
